The Honorable Floyd Spence
House of Representatives
Washington, DC 20515

Dear Mr. Spence:

The Director has asked me to respond to your letter of 19 August 1988 on behalf of your constituent, Mr. Ellis MacDougall, president of First Defence, who is interested in making his unique fence design available to the Central Intelligence Agency.

Our Office of Logistics handles the evaluation of new equipment and the first step would be for First Defence to send a brochure describing this fence. In keeping with our security concerns, Logistics also requires that companies provide information on their possible foreign ownership. I have enclosed the appropriate forms and ask that the management of First Defence forward the completed forms, along with the brochure to:

Procurement Management Staff
Office of Logistics
Central Intelligence Agency
Washington, DC 20505

Upon receipt of the completed forms and brochure, the Procurement Management Staff will route the material to the appropriate components. If a requirement exists, the interested component will contact Mr. MacDougall directly.

Thank you for writing on behalf of Mr. MacDougall.

Sincerely,

John L. Helgerson
Director of Congressional Affairs
